

Persnore High School

AN ACADEMY FOR 12-18 YEAR OLDS

CODE OF CONDUCT

Responsibility Clive Corbett
Date of last review September 2016
Date of next review September 2017

A code of conduct for all school staff is an important part of the process of keeping children safe. If all staff are aware of expected behaviour, then potential situations that could leave a child or themselves in a vulnerable position can be avoided.

Teachers' Standards 2012 "A teacher is expected to demonstrate consistently high standards of personal and professional conduct...treating pupils with dignity building relationships rooted in mutual respect and at all times observing proper boundaries appropriate to a teacher's professional position (and) having regard for the need to safeguard pupils' well-being in accordance with statutory provision".

We strongly believe that the highest standards of conduct as applied above apply to **all staff** at Persnore High School.

Accountability for good conduct by us all is not an assault on staff integrity but evidence of professional excellent practice.

Persnore High School fully recognises its responsibilities for safeguarding children. This policy is to be read in conjunction with the following policies: Part 4 of 'Keeping Children Safe in Education (Allegations of abuse made against teachers and other staff); Safeguarding Children, Care & Control, Rewards & Consequences, e-safety, ICT Acceptable Use by Staff; Whistleblowing (LA guidance), Data Protection and Health & Safety.

1 Introduction

- 1.1 This Code describes the standards of conduct and behaviour expected from our staff and any staff seconded or engaged from other organisations to undertake work within Pershore High School. It also highlights some types of behaviour or conduct which might be considered incompatible with being a school employee. It is intended to help you by describing the standards expected of you and has been approved by the Governors following consultation with the appropriate Trade Unions. Please take time to read it and ensure your conduct meets these requirements. If you are at all uncertain about what is expected please seek further clarification from the Headteacher or Line Manager so that you do not unwittingly contravene this Code or otherwise act against the school's interests.
- 1.2 Contravening or failing to act within the spirit of the Code, or behaving in a manner which could bring the good name of the school into disrepute, whether or not within the workplace or working time, might be seen as a breach of discipline and could lead to action being taken against you under the appropriate procedure.
- 1.3 While workers who are not employees of the school are expected to comply with the spirit of the Code, any action that may be taken in response to a breach will depend on the precise nature of their working relationship with the school.
- 1.4 This code relates to all staff working for Pershore High School. Teachers must be aware that there are also published *Teachers' Standards* (DfE 2012) and are advised to familiarise themselves with the requirements of these.

2 Guiding principles

- 2.1 As a school employee, you should put the well-being, development and progress of children and young people first. Students must be treated with respect and dignity. Behaviour that should be avoided includes sarcasm, making jokes at their expense, embarrassing or humiliating them, discriminating against or favouring students. You should recognise that you are in a position to influence children and young people through your slightest actions, comments or behaviour.

The details of this Code of Conduct are in line with the Worcestershire inter-agency child protection procedures. Any allegations of abuse by staff will be discussed with the LADO and County HR, and assessed against the categories of Employment, Harm, Risk of Harm and Criminal (Keeping Children Safe in Education).
- 2.2 To the public you are a representative of the school. You are expected to maintain the highest standards of professional competence, knowledge, integrity, confidentiality, financial propriety and personal conduct. Contact with all members of the school community, including parents and outside visitors, should be courteous, efficient and impartial to all groups and individuals. You must also familiarise yourself with, and adhere to other policies in place for the school or in your particular role and you should comply with all reasonable requirements or instructions from the Headteacher.
- 2.3 It is not appropriate for you when working within your role as an employee to oppose the stated aims and policies of the school or to undermine the performance of its duties and responsibilities. It is important for all employees to present a unified image to the public.
- 2.4 Staff must not contact students at any time by texting or calling via their personal e-mail addresses, mobile or other telephones, nor allow them to have theirs. Staff must not include students (or ex-students until they are over 19) as 'my friends' on any social networking sites such as Facebook or Bebo. All communication must be via the school e-mail system or student planner since these will be monitored. **In exceptional circumstances, eg for DoE Expeditions and Foreign trips where school mobile telephones are not available, staff will be allowed to communicate with students on their**

personal mobile phones but this **MUST** be cleared with SLT prior to exchange of numbers.

- 2.5 You should ensure that your relationships with your fellow employees and with students are always conducted in a professional and courteous manner; you should not censure other colleagues or criticise their work in the hearing of a student or parent/carer.
- 2.6 It is not acceptable for you to publicly criticise or blame school management or colleagues through any medium including internet 'blogs', websites or social networking tools such as Facebook or Twitter and you must be aware that the laws governing defamation, breach of copyright, etc. apply equally to 'blogging' as to other forms of communications. Offensive, defamatory, discriminatory or otherwise inappropriate comments will not be tolerated and may constitute a disciplinary and/or criminal offence, as could the disclosure/publication of any confidential or personal information about the school, its staff, students or other members of the school community.
- 2.7 Any disagreement involving the interpretation or application of the Code as it applies to you should be discussed with the Headteacher or Line Manager in the first instance. However, if you feel the Code is being applied unreasonably you may be able to seek redress through the school's Grievance Procedure.
- 2.8 Proper physical contact occurs between staff and students eg in the care of students with learning disabilities, in PE, or to comfort students. However, staff should take care not to be alone with students. Contact that must be avoided includes, eg, tickling and rough play. **Staff must read and be familiar with the 'Care & Control' policy which outlines the use of Positive Handling to manage physically challenging behaviour.**

3 Personal interests (see also notes 1 and 2 below)

- 3.1 The interests of the school or the way you do your job must not be influenced by personal interests or those of relatives, friends or membership of external organisations or societies. There should be no grounds for suspicion that you are using your position with or knowledge of the school for personal gain or that you could be influenced by improper motives. If you belong to outside organisations, including voluntary organisations, there must be no conflict with your job or other school interests. You should advise the Headteacher or Line Manager in writing about anything which could give this impression, using the 'Register of Interests' form that will be sent to you annually.
- 3.2 **For staff who have responsibility for placing orders and school expenditure, please see more detailed guidance in Section 20.**

4 Private work

- 4.1 School premises, equipment, working time or other resources must not be used to undertake private work.
- 4.2 The school needs to be aware if its employees undertake private work or voluntary activities in their own time to ensure that there is no conflict of interests with the school and to meet its obligations under Health and Safety legislation. Therefore, to protect yourself and the school from potential criticism you should not put yourself in a position where there is an actual or perceived conflict of interests. You should be aware that outside work or activity, whether or not you receive payment, could reduce your ability to safely and effectively carry out your employment with the school, e.g. through tiredness, and would be considered unacceptable.

- 4.3 You must advise your line manager before engaging in any other work especially if it could reasonably be seen to conflict with your employment with the school or lead to misunderstanding or criticism.
- 4.4 You must not undertake private work for any individual, organisation, department or establishment which otherwise would be undertaken as part of your normal duties. Any charge raised as a result of undertaking work within another school or other establishment; whilst in your normal working hours should be paid to the school.
- 4.5 You must not undertake private work when on sick leave without the express knowledge and prior written approval of the Headteacher and subject to appropriate medical advice.
- 4.6 You must not undertake private work for any school or establishment during a period of paid leave or suspension.

5 Expressing concern about irregularities and tackling malpractice

- 5.1 If you feel there is something seriously wrong at work please tell an appropriate person (see paragraph 5.3) as a 'voice of concern'. It might be, for example, the conduct of another employee, the way a contractor is behaving, a work practice, something that is endangering the safety of students or staff. You might be the first to notice it and your intervention could stop things getting worse.

5.2 Whistleblowing

All staff have a duty to report any concerns about the behaviour of a colleague. No matter how reticent you may feel, you should raise any serious concern - e.g. a suspicion of fraud or corruption or reasonable belief that a child or adult's health, safety or well-being are in danger - with the Headteacher so that potentially serious problems or malpractice can be addressed without undue delay. If this is not appropriate, then you should contact the Chairman of Governors, including matters relating to fraudulent activity. If you do raise a genuine concern in good faith all reasonable steps will be taken to respect your confidence and protect you from possible reprisals (see Confidential Reporting (Whistleblowing) Policy).

- 5.3 The school and governing body take this issue very seriously and will investigate and address any problems genuinely raised. However, any frivolous, malicious or mischievous use of the Confidential Reporting Policy will be treated as a serious disciplinary matter.

6 Copyright

- 6.1 You should be aware that 'intellectual property' such as software, ideas, documents, etc. created during your employment belongs to the school. All files, materials, the media upon which they are located and all software programmes or packages which are utilised or developed solely for or in connection with your job remain the property of the school.

7 Confidentiality

- 7.1 The school is committed to open government and, in law, certain information must be made available to government departments, service users and the public. However, you must make sure you know whether information is 'public' or confidential and treat it accordingly.
- 7.2 You may sometimes acquire information at work which has not been made public or is confidential. Examples include information about a student or family, a colleague, information on tenders or costs, the proceedings of confidential meetings.

- 7.3 You must ensure that sensitive and/or confidential information is properly secured and safeguarded at all times especially if being transported in paper or electronic formats. Particular care must be taken with information stored on portable electronic media such as laptops and memory devices which are often targeted for theft due to their high intrinsic value.
- 7.4 Confidential Information which comes into your possession must not be used for personal benefit or divulged to other parties except in the proper course of duty, for example to other professionals working with the same child. If you have any doubt whether or not disclosure is appropriate, you must check with the Headteacher before releasing confidential information.
- 7.5 Some information can be extremely valuable in business and commerce and its publication loss or misuse could seriously disadvantage the school and its employees. Therefore, it is important that you do not, deliberately or inadvertently, pass on information, including software, during or after your employment with the school, to anyone who has no right to receive it. You must not discuss, disclose, publicise or use such information for your own or anyone else's personal interest or advantage.
- 7.6 You must decline any approaches or offers made asking for information which could be detrimental to, or help others to gain a contract, grant or any other advantage from the school and/or its employees, e.g. a potential contractor could offer a financial reward for information leading to the award of a major contract. Approaches or offers of this kind must be declared to the Headteacher without delay.
- 7.7 You must not criticise the school, its policies or staff in open media such as internet 'blogs', websites, social networking sites, etc. where it may be seen by parents, children or others in the school community.

8 Contact with the media

- 8.1 Unless you are properly authorised to speak with, write or give interviews to the media you should refer any enquiries from the media on work related matters to the Headteacher.

9 Information Technology and Data Protection

Staff should be familiar with LA 'Guidance to support the safe and appropriate use of images in schools and settings'.

Staff must check for receipt of written permission from parents before using photographs or videos of students. If permission has not been granted parents must be contacted. Any images must be stored on the staff shared areas only.

- 9.1 Everyone using computing equipment has a duty of care to use it according to prescribed arrangements, e.g. to avoid introducing computer viruses, to comply with the Data Protection Act, and to safeguard and ensure the security of information.
- 9.2 You must familiarise yourself with the schools' ICT policies, including use of the internet. In particular, all use of the internet and email facilities must be authorised, legal, appropriate and in accordance with the provisions of the school policies. Personal use of any facilities – including laptops – must be authorised and only undertaken at times deemed appropriate by the Headteacher.

Users shall not use the internet or email for the following:

- to knowingly break the law
- to fail to comply with existing school policy
- to compromise the integrity of any network of system
- to access, display or transmit any kind of sexually explicit material or any offensive or discriminatory material of any kind
- to make unauthorised contact with outside bodies
- to download software or play games
- to bet or gamble
- to disclose private or confidential information.

Failure to comply with the policies in force or any unauthorised use of such facilities will be dealt with in accordance with relevant disciplinary procedure.

Employees should also take account of policies on cyber bullying.

- 9.3 Employees should also be aware when they are using personal IT equipment for undertaking school related business that the same rules apply. Please refer to the school's Acceptable Use policies.
- 9.4 Staff setting up external file sharing sites and social media for use with students and or parents must follow the following guidelines in order to protect themselves from allegations of misconduct or safeguarding issues:
- The site must be registered to the school and should include PHS or Pershore High School in the title.
 - The Leadership Team (PH) will hold a register of sites and staff must register them before use with students and keep the details up to date.
 - The register must include the username and password of the administrator of the site and this must be updated should changes occur.
 - A school user must be included for monitoring/safeguarding purposes:
monitor@pershore.worcs.sch.uk
- 9.5 Employees' own mobile phones must be used in non-public areas of the school only, eg in offices or staff room.

10 Gifts, inducements, hospitality and sponsorship (see also notes 1 and 2 below)

- 10.1 You must not accept any commission, discount, allowance, direct or indirect profit, inducement, payment, perk or benefit in connection with any professional work undertaken, other than any fee recoverable on behalf of the school.
- 10.2 Minor gifts and hospitality are sometimes part of the normal courtesies of life: the parent of a student may offer a modest gift, especially at Christmas or as a token of appreciation, and in an office situation simple items such as diaries and calendars are often distributed as advertising matter. As a guideline, any gift or hospitality with a value of £25.00 or more is highly unlikely to be viewed as a 'token'. With the exception of these 'tokens' and any special schemes (e.g. travel or discount schemes) arranged by the Academy, all gifts, vouchers, fees, special discounts, rewards or preferential treatment must be refused. Collection of reward card points such as Nectar and Clubcard on a personal account in respect of school or council purchases is a benefit in kind which should be reported to HMRC and subjected to deduction of Income Tax. In situations where refusal is difficult or might offend you must inform the Headteacher or your Line Manager who will decide on the appropriate action.
- 10.3 Where an outside organisation wishes to sponsor any activity or make a donation to the school, the basic principles relating to personal interests and the acceptance of gifts or hospitality apply.

11. Use of school resources and equipment

- 11.1 Facilities, equipment, vehicles, materials and other resources provided by the school for use in your work must not be used for any other purpose without permission or appropriate payment, e.g. photocopying, private telephone calls. Mobile telephones are provided exclusively for business use and must not be used to make private calls. In this context a call 'home' to advise that you have been unavoidably delayed because of work would not be considered a private call.

12 Overseas travel on official business

- 12.1 Any proposal to travel overseas on official business must be approved by the Governing Body before the travel takes place.

13 Transporting students

Staff must be familiar with 'Steps to be taken when arranging a school visit'.

Parental permission must always be sought when transporting students. In the case of a school trip, this must be written permission. In an emergency, eg a student is stranded at school at the end of the day a member of staff must have appropriate car insurance and gain parental permission before transporting a student home. Staff must not transport students in other circumstances.

14 Equality issues

- 14.1 All members of the community, including students, families and other employees have a right to be treated fairly and with dignity. You must make yourself aware of and comply with the school's Equality and Diversity Policies and procedures.

15 Standards of appearance

- 15.1 A high standard of dress is expected of staff. Bearing in mind that you are working with children and young people, staff are expected to present a professional appearance, appropriate to the circumstances within their working environment. Excessive jewellery must not be worn and tattoos hidden.

Dress must not be offensive, revealing or sexually provocative, and must be absent from political or other contentious slogans.

Where uniform or protective clothing is issued it must be worn as required when at work or representing the school. When wearing uniform or other items which identify you as an employee of the school you must maintain appropriate standards of conduct whether or not on duty, e.g. when travelling to and from work.

- 15.2 Staff are expected to wear their ID badge during the working day.

16 Relatives and close personal relationships within the workplace

- 16.1 In order to avoid any possible accusation of bias you should endeavour not be directly involved in the appointment, promotion, discipline or other employment decision relating to another employee to whom you are related or with whom you have a close personal relationship. If a situation arises in which you feel you may be in such a position, please seek the advice of the Headteacher.
- 16.2 If you work in close proximity with other employees or students to whom you are related or have a close personal connection you must maintain a strictly professional relationship at work. You should also be aware that if any relationship

leads to disruption in the workplace, unacceptable conduct or performance or situations involving undue favouritism or detriment, action will be taken under the appropriate procedure which could lead to your contract terminated.

- 16.3 Relationships with students must be professional at all times. Staff must not develop a personal or sexual relationship with students (Sexual Offences Act 2003) or use online or mobile technologies to groom a child. All electronic communication must be via the school e-mail system.

17 Smoke free environment

- 17.1 All school buildings, workplaces and vehicles are smoke free areas. Since July 2007, it has been against the law to smoke in workplaces; failure to comply is now a criminal offence.

18 Drugs and alcohol

- 18.1 Employees must not take drugs, alcohol or any other substance before work, during a break or at lunch time that is capable of causing their behaviour, judgement or performance at work to be affected. This is particularly important for employees who drive, operate machinery, have responsibility for vulnerable adults or children, and who come into contact with members of the public and/or visitors. N.B. It is equally inappropriate for those working in close proximity to children and vulnerable adults to have alcohol on their breath even though this may not amount to drunkenness.)

19 Health and Safety

- 19.1 Unsafe working can endanger you, your colleagues and members of the public. You must familiarise yourself with the school's Health and Safety Policy and guidelines for your particular work. Please speak to the Headteacher for further information. You must follow the rules, codes and safe practices they describe including reporting any accidents, incidents or near misses you have at work.

20 Criminal charges, cautions and convictions

- 20.1 You must advise your Line Manager immediately if you are charged with or cautioned or convicted of any criminal offence whilst you are an employee of the school. While such proceedings will not necessarily affect your employment, the school needs to be sure there are no implications for the school, its reputation, safety of children or in relation to the role you undertake.
- 20.2 You must also advise your Headteacher immediately if you have been arrested or appeared in court and released on bail in circumstances where bail conditions have been applied which could have consequences for your work e.g. you are constrained from having contact with children. If you are in any doubt about whether you should report bail conditions, especially where safeguarding could be an issue, you must discuss it with your Headteacher so that any concerns can be addressed from the outset. Failure to report such conditions would be considered as serious misconduct and could potentially lead to breach of bail.

21 Specific standards for staff with responsibility for expenditure

21.1 Personal interests:

21.1.1 The interests of the school must not be undermined by personal interests. The way you do your job must not be influenced by personal interests or those of relatives, friends or membership of external organisations or societies. There should be no grounds for suspicion that you are using your position with or knowledge of the school for personal gain or that you could be influenced by improper motives. If you belong to outside organisations, including voluntary organisations, there must be no conflict with your job or other school interests.

21.1.2 All orders, contracts and grants must be awarded on merit following fair competition. No favour should be shown because of personal interests and no part of the community should be discriminated against.

21.1.3 You must advise your Line Manager in writing about anything which could give the impression that you may be acting for personal gain, financial or otherwise, or in the interests of another person or organisation; or you are involved as an employee in matters which might reasonably be regarded as affecting the well-being or financial position of yourself, your spouse, partner, relative, a close friend or any person with whom you have a close association, e.g. if any of those persons:-

- hold an office or employment with
- have any connection or influence with
- have any financial interest in

any company or organisation doing or seeking to do business with, or requesting grants or other funding from the school.

21.1.4 You should avoid being involved as an employee in matters which might reasonably be regarded as affecting the well-being or financial position of yourself (or the persons, companies or organisations referred to above) so significant that it is likely to prejudice your judgment of the school or public interest. (N.B. Holding shares in a company with which you know the school is likely to be dealing, or acting as an agent for them, could be regarded as a financial interest.)

21.1.5 You must advise the Headteacher in writing of any direct or indirect pecuniary interest in a contract or proposed contract with the school as soon as practicable after becoming aware of it so that it can be recorded in the 'Register of Interests'. Failure to do so may be a criminal offence as well as a disciplinary matter.

21.1.6 You must advise your Line Manager of any personal dealings of a business or private nature with existing or potential suppliers, consultants or contractors who you know (or could reasonably be expected to know) to have dealings with the school.

21.1.7 If you engage or supervise contractors or consultants on behalf of the school or have any other official relationship with them you must advise your Line Manager, prior to any contractual relationship beginning or work being undertaken, if you have or intend to have any private or domestic relationship with them or any of their employees.

21.2 Gifts, inducements, hospitality and sponsorship: (see also notes 1 and 2 below)

21.2.1 See information in 10.2 regarding the acceptance of gifts. As a guideline, a gift with a value of more than £25 is unlikely to be seen as only a 'token', so needs to be referred to the Headteacher or Line Manager.

21.2.2 Offers of hospitality, even if of a seemingly minor nature, must be treated with particular caution as they can leave both individuals and the school open to all manner of allegations of impropriety. The timing of offers of hospitality, e.g. in relation to purchasing, the award of contracts, granting of applications or other decisions, should be considered equally to the generosity of the hospitality offered. Accepting hospitality must be justified in the public interest, e.g. when there is a genuine need to represent the school. You must inform the Headteacher or Line Manager of an invitation or offer of hospitality before it is accepted.

21.3 Personal purchases:

21.3.1 You should be aware of possible conflicts of interest when you buy goods or use the services of firms which have dealings with the school and follow any school procedures relating to the disclosure of any such transactions. You should neither seek, because of your position, nor accept, because of an organisation's dealings with the school, preferential rates, reductions or any other favourable treatment in the purchase of goods and services. This does not apply to generally available schemes or discount schemes arranged by the school for all staff.

21.4 Procurement of goods and services and disposal of school property: (see also note 2 below)

21.4.1 Procurement procedures must be strictly adhered to and you must not accept any inducement or preferential treatment if you are responsible for procuring goods or services for the school or disposing of surplus property.

21.4.2 In addition, staff should always be in a position to demonstrate that 'Best Value' has been sought and achieved. Detailed guidance on procurement and tendering is set out in the school's Financial Regulations Manual.

22 Conduct and Performance

22.1 Unacceptable behaviour and/or failure to maintain satisfactory standards of conduct or performance will lead to action being taken against you under the appropriate procedure. This includes specifically the failure to behave at all times in accordance with the school's stated values.

22.2 You must ensure you understand the requirements of this Code of Conduct and any terms and conditions, rules, standards and requirements that apply to you and your job (see also note 2 below). Any of the examples of unacceptable behaviour listed below may be considered as misconduct or gross misconduct depending on the relevance to your role, your seniority, the seriousness of the act and particular circumstances. Those underlined normally will be considered as gross misconduct. The list is not exhaustive and other unacceptable behaviour not specifically listed nevertheless may be considered as misconduct or gross misconduct:

- a) any form of unjustifiable discrimination, harassment, threatening or bullying behaviour, e.g. on the grounds of race, sex/gender, sexual orientation, marital status, disability, age, religion or belief; whether or not the subject of current legislation;
- b) any physical, emotional or sexual abuse of a child or other vulnerable person
- c) possession, displaying, viewing or downloading of offensive materials, playing or downloading games, accessing 'unacceptable' websites, e.g. websites of a sexual nature, gambling, betting or gaming, in the workplace or via any portable device, e.g. laptop, mass storage, which is the property of the Academy and has been provided in connection with the postholder's work;
- d) undertaking private activities during working hours;
- e) unpunctuality, misuse of time and time recording, unauthorised absence from work;
- f) refusing to comply with reasonable orders and instructions;

- j) fighting, threatening or actual violence towards, physical assault or abuse of another person whilst at work (NOTE: this does not include reasonable physical restraint necessarily carried out in the course of duty);
- k) theft, unauthorised removal, misappropriation, improper or unauthorised use of school or other property, systems (including telephones, IT, email and internet), vehicles, equipment or other resources. This may include loss by failing to properly secure or safeguard;
- l) failure to report criminal convictions, particularly those which may be relevant to the type of work undertaken, e.g. driving convictions where the work necessitates driving on school business, indecent assault where working with children or vulnerable adults;
- m) fraudulent or misleading practices and/or omissions in connection with official duties, e.g. deliberately falsifying school documents, reports, etc.;
- n) fraudulent or false claims for payment of salary, expenses and/or allowances, etc. or seeking financial gain by deception;
- o) acts involving bribery or corruption;
- p) any action for which it would be appropriate for the school as an employer to take legal proceedings (irrespective of whether such proceedings are taken);
- q) sexual misconduct at work;

- r) wilfully breaching any school policy or procedure;
- s) drunkenness, being unable to carry out duties through the influence of any substances including drugs, whether or not prescribed, and alcohol, or for any other avoidable reason. (N.B. It is equally inappropriate for those hosting visitors or working in close proximity to students to have alcohol on their breath even though this may not amount to drunkenness.);
- t) possession, buying or selling of weapons, illegal substances or materials at work;
- u) any breach of trust or security in respect of information or procedures;
- v) obtaining or attempting to obtain access to any information (including information held or stored by electronic means) to which the employee is not entitled;
- w) any action which may bring the good name of the school into disrepute;
- x) as an employee, public opposition to the stated aims and policies of the school, criticism or blame of school management or colleagues, through any medium including internet 'blogs', websites, social networking sites, etc.;
- y) any action unconnected with work which brings in to question your suitability as an employee of the school;
- z) failing to report serious misconduct, aiding or inciting another employee to undertake any of the above actions or other act of wrongdoing.

Note 1:

Personal interests as set out in paragraph 3 (e.g. in contracts/procurement), other potential conflicts of interest and any offer of gifts and/or hospitality as set out in paragraph 10 or paragraph 20, other than of a minor 'token' nature, are to be notified in writing to the Headteacher who will include them in the Register of Officers' Interests.

Note 2:

Under the Bribery Act 2010 it is a criminal offence if a person fails to prevent bribery, bribes another person with the intention of obtaining or retaining a business or a business advantage, or receives a bribe, whether or not unwittingly.
