Work Experience 2018

What is Work Experience?

- * It is a taste of work; not necessarily what you will do when you leave school.
- * Due to Health and Safety its not possible to work in certain areas – you cannot use heavy machinery, or drive. The Police do not offer work experience and certain medical placements are impossible too – you cannot be a brain surgeon on Work Experience!

Work Experience

- * No placements outside of the UK
- * Placements outside of Worcestershire have to be organised by the end of October 2017

Work Experience 2018

* What shall I do and where do I start looking:

- * Think about what you would like to do as a placement for a week.
- * Be realistic – Can you get to the placement?
- * When you have found a Company telephone them, send an email or write a letter asking for a placement
- * Remember you are not the only student looking for a placement, do not leave it act now!
