ORGANISATION	USEFUL LINKS	SUMMARY
PP REVISION MATERIALS		Revision materials are provided for students entitled to Pupil Premium support. If you are unsure if your family is entitled to this support, please speak with your child's House Team.
EDUCATIONAL PSYCHOLOGIST ASSESSMENT	le@pershore.worcs.sch.uk	Educational psychologists work in partnership with families and schools to help young people achieve their full potential and improve all children's experiences of learning. If your child is experiencing difficulties in school, the Head of House or SENCo (Maxine Leonard) might suggest that an Educational Psychologist assessment is carried out. The report should provide advice and make suggest strategies to encourage effective learning.
NURTURING PROVISION	le@pershore.worcs.sch.uk	Students are able to use the Hampton Centre as a quiet base when required. This support is organised in consultation with our SENCO, House Teams and parents. The support might include lesson time in the Hampton Centre that has been agreed in advance, or through use of a Time Out card or as part of a reduced timetable.
COMMUNITY SOCIAL WORK CONSULTATION	http://www.worcestershire.gov.uk/info/20366/professionals/1656/community_social_workers	Community Social Workers (CSW) support professionals, in this case Pershore High School, by offering advice and guidance and can also signpost us to services that can help to support families. PHS can also request assistance from the CSW to help with Early Help Assessments and to develop Early Help Action Plans. Pershore High School requires consent from parents if any discussion is to take place.
EARLY HELP ASSESSMENT	https://www.worcestershire.gov.uk/eha Please visit the website for more details about the Early Help Assessment form & guidance. file:///filestore/sp\$/downloads/64152_Early_Help_in_Worcestershire_Document_Jan_2019_V02.pdf	An Early Help Assessment is a tool to assist professionals working with young people and families and can be used where there are emerging welfare or well-being concerns. It is not a requirement for PHS to have completed the official form, but it can be used as a guide to support discussions.
TA SUPPORT IN LESSONS	le@pershore.worcs.sch.uk Please see SEND information on website for further details http://www.pershore.worcs.sch.uk/information/send/	It is possible that your child might require some extra support in school. If this is the case, they might be in teaching groups where a Teaching Assistant supports some or all of the lessons. Teaching Assistants will support as required and with the agreement of the young person – some children do not like to be considered 'different' and can decline this help. In this situation, our TAs support more discretely in a way that benefits your child.
