Persnore High School fully recognises its responsibilities for safeguarding children. This policy is to be read in conjunction with the Safeguarding Children Policy.

1. Introduction

This plan is drawn up in accordance with the planning duty in the Disability Discrimination Act 1995, as amended by the SEN and Disability Act 2001 (SENDA). It draws on the guidance set out in "Accessible Schools: Planning to increase access to schools for disabled pupils", issued by DfES in July 2002.

Persnore High's School buildings are predominately well designed to meet the needs of disabled pupils:

- the school is two storey, all first floor classrooms, with the exception of one, can be access via lifts;
- use of these classrooms can be rotated to meet pupils' needs;
- all public-access rooms, including front and back entrances, toilets, library, and hall are on the ground floor, with no steps;
- there are disabled toilets located in the Science Block, Hampton and Sixth Form Centres and the Sports Pavilion;
- a Bath Management Area was installed in 2007.

2. Definition of Disability

Disability is defined by the Disability Discrimination Act 1995 (DDA):

"A person has a disability if he or she has a physical or mental impairment that has a substantial and long-term adverse effect on his or her ability to carry out normal day to day activities".

3. Key Objective

To reduce and eliminate barriers to access to the curriculum and to full participation in the school community for pupils, prospective pupils and our adult users with a disability.

4. Principles

- i) Compliance with the DDA is consistent with the school's aims and equal opportunities policy, and the operation of the school's SEN policy;
- ii) The school recognises its duty under the DDA (as amended by the SENDA):
 - not to discriminate against disabled pupils in their admissions and exclusions, and provision of education and associated services
 - not to treat disabled pupils less favourably

Perschore High School

- to take reasonable steps to avoid putting disabled pupils at a substantial disadvantage
- to publish an Accessibility Plan.

Perschore High School

- A. In performing their duties, governors and staff will have regard to the DRC Code of Practice (2002).
- B. The school recognises and values parents' knowledge of their child's disability and its effect on his/her ability to carry out normal activities, and respects the parents' and child's right to confidentiality.
- C. The school provides all pupils with a broad and balanced curriculum, differentiated and adjusted to meet the needs of individual pupils and their preferred learning styles; and endorses the key principles in the National Curriculum 2000 framework, which underpin the development of a more inclusive curriculum:
 - setting suitable learning challenges
 - responding to pupils' diverse learning needs
 - overcoming potential barriers to learning and assessment for individual and groups of pupils.

5. Activity

Perschore High School has identified the following points for action as part of its School Improvement Plan, in order to achieve the key objective:

6. Delivery of the curriculum

School staff receive training in making the curriculum accessible to all pupils, and are aware of its importance.

The school will continue to seek and follow the advice of LA services, such as specialist teacher advisers and SEN inspectors/advisers, and of appropriate health professionals from the local NHS Trusts.

7. Physical environment

The school will take account of the needs of pupils and other users with physical difficulties and sensory impairments when planning and undertaking future improvements and refurbishments of the site and premises, such as improved access, lighting, acoustic treatment and colour schemes, and more accessible facilities and fittings.

In particular:

- the raising of the slabs in the quad area to remove steps into the classrooms;
- the replacement of the mobile classrooms with permanent ones, providing easier access;
- Moving the first floor music room and practice rooms to one ones on the ground floor;
- The provision of a ground floor Staffroom;
- signs in Braille will be provided at the front entrance.

8. Provision of information in other formats

The school is aware of local services, including those provided through the LA, for providing information in alternative formats when required or requested.
